Congregation Agudath Achim

Presidents Message… David Greenbaum

Dear Congregants and Friends:

This will be my final message as your president. I am humbled and honored to have served as your Congregational President three separate terms, the first in 1985-86, again in 2006-2008, and currently beginning October 2016 which will end with the installation of a new President, Dr. Susan Weinstein and her Board during our upcoming annual meeting. My final term has been the most difficult, yet the most rewarding. As you know we have been without a Rabbi during the current year. It is imperative that we secure a Rabbi in order to both survive and grow our membership. I have been blessed with a strong Executive Board as well as a dedicated Board of Directors, each of which have committed countless time and energy to the service of our Congregation. In addition we as a Congregation are fortunate to have many talented lay leaders capable of leading our religious services each Shabbat and Holidays. It is the collective dedication of the Board and our lay leaders that has provided me the strength to lead during this difficult time.

My service to the Congregation was initiated prior to 1985 when a former board member, Chuck Kaufman persuaded me to become President of our Men's Club and by extension serve on the Board of Directors. Chuck believed in service to this Congregation, this community and the world Jewish community. Chuck Kaufman will soon be inducted as the next President of B'nai B'rith International, the oldest Jewish service organization in the world, committed to the security and continuity of the Jewish people and the State of Israel as well as to combating anti-Semitism and bigotry. Chuck was a mentor and role model to me. Chuck and his wife Jennifer have continued to support our Shul long after leaving. Although, I have no ambition to be a national leader (Mazal Tov Chuck) I remain committed to this Congregation and this community.

On August26, 2018 our congregational family voted overwhelming to join the USCJ, a/k/a the conservative movement. As President I did not speak either for or against this proposal. Many of our members knew that I have in the past opposed this affiliation. Candidly, because of my fondness for the founders of our Congregation (many now departed), my pledge to support the Congregational Constitution and my lifelong membership I personally would have voted against the proposal. However, my love for this house of worship as well as my love for its current members outweighs my personal preference. The overwhelming majority of our members have spoken. I will honor and support their decision. We may disagree politically with family and friends, but that should not destroy our love and friendship. Our common bonds must continue to unite us.
Please continue to support our Congregation.

Prayer - Torah Reading - Healing Blessing – Light Kiddush Lunch
9:00 - 11:30AM

Please join us each Shabbat morning for traditional services and torah service. All are welcome as we utilize the Holy Sabbath to nourish our spirits, our minds and our bellies.

Prayers for the Sick: Shabbat is healthy for us as individuals and a great way to spend time in community. In addition we take time to say a prayer for any person in need of healing.

Sponsor Kiddush: It is a lovely way to honor family events – Birthdays, Anniversaries, Yahrzeits, achievements, etc…., or just to participate and treat our community and our friends.

All Welcome: Whether your background is extensive or limited, whether you prefer English or Hebrew, whether you are male or female, there are ways for all to participate.

How we can enhance our Shabbat Morning experience and how you would like to be included.
